# YOUR **CHAMP** IS HERE.

## Benefits of partnering with us.

Leveraging our infection prevention experts and best practices and procedures by AORN, CDC, EPA, HCAPs, HIPPA, and OSHA; Champion offers 24/7 Quality environmental services to its healthcare partners at competitive prices.

### **COMPETITIVE PRICING**

Champion's proprietary systems approach creates efficiencies that result in cost savings. We leverage direct manufacturer relationships for competitive supply pricing (3m, SCJ, EcoLabs, etc)

### **NO-COST LIGHT DUTY MAINTENANCE**

As part of your regular service agreement, Champion will provide light duty maintenance (light bulbs, ceiling tiles, and dispensers)

### **INFECTION PREVENTIONIST**

Champion leverages consultant services from infectious Disease Physicians and Clinical Infection Preventionist, to ensure our Technicians are always following the most current EVIDENCE BASED techniques

### **ROUTINE QUALITY ASSURANCE CHECKS**

Champion conducts routine performance audits, leveraging ATP luminometer testing to detect microbial presence, ensuring proper surface disinfection

### **24/7 ON-CALL EMERGENCY SERVICES**
