

# CUSTOMIZED INDIVIDUAL CARE PLANS

USING PROPRIETARY METHODS  
EXTENDING THE LIFE AND LOOK  
OF ALL FLOOR TYPES

## PATIENT SATISFACTION STARTS WITH THE FLOORS!

Partnered with flooring and product manufacturers, all floor technicians are trained on various floor types and industry standard products. With the understanding, no two floors are the same, Champion offers a customized individual care plan for every unique circumstance. Specializing in health facilities, allows Champion to understand traffic patterns and unique spills related to healthcare that require different approaches. No matter the circumstance, Champion ensures your floors will provide an enhanced patient experience.

## FLOORING WE CARE FOR

- Various Hard Floors
- Carpets
- Stone

# YOUR **CHAMP** IS HERE. **Why** partner with us?

Champion understands the unique needs for healthcare floor care. Partnered with flooring and product manufacturing to ensure all floor technicians are trained on various floor types and industry standard products. Champion knows that no two floors are the same and creates customized plans for each client.
